It will be seen from the Madras Patti that the highest bid for the Kanos was from Sankara Iyer for 62 Kundies (7½ years from 1920 21). The price of jaggery

The register of Inams
shows that they have been endowed
to the temple of Sri-Mukteswara-

Taluk. They are not inams
granted solely for the performance
of Archaka's duties in the temple
and the Archaka has no right
to the whole of the income derivable
from them. If after meeting the
expenses of the Archaka, any thing should
remain out of the income, it may
well be used for other purposes
of the temple.
The lands have been
leased for an annual rent of
62 Kandis of rice which
are worth at the rate Rs 9'30. After
paying Jodi, as the lands are not
inams will be at the rate Rs 910

The Archaka's prayer is that the sale may be cancelled and that he may be allowed to enjoy the usufruct of the produce as heretofore. This, if allowed will give him a remuneration of Rs 75 a month, which is much more than what need be given.

The appeal may be dismissed and the D. Commr. asked to fix a reasonable pay for the Archaka in consultation with the Muzrai Superintendent.

(Second Member) 14/5/21

(A statement, issued in such cases, that the Archaka has surrendered the lands at considerable sacrifice, has been made, but he has, in return, enjoyed all the produce till now, even assuming the allegation and surrendered to be true. R.J.)

There is no doubt that the land is devadaya and personal to the archaka.

NOTE—Contn. sheet.

But at the same time, it seems to me that the intention of the original donors was also to create a living for the archak. After meeting pujas & the cost of services the balance of income has in many cases like the present one, gone to the archak as his perquisite. In several cases this has gone on for generations. While the interests of the institution should receive primary consideration still there is some equity in allowing the association of the archaks with such institution. But this must be subject to the condition that the interests of the institution are not adversely affected thereby. If the archak is prepared to take up the puja at a rate higher than that he has hitherto paid, I would give him the preference even though the income is less than what he has hitherto paid. To

His Highness the Maharaja of Mysore,

Sir

Adverting to your letters No.1353,Muz.172-20-2 dated 13th October 1920 and No.1789 Muz.172-20-4 dated 22nd November 1920 forwarding for report petitions from the residents of Hansoge and Archak Shamanna, complaining of the sale of the inam lands endowed to Sri Avimuktesvaraswamy temple at Hansoge, Yedatore taluk, I have the honor to state as follows:-

In accordance with the recent orders of Government proposals for the reorganization of the above temple being drawn up by the Muzrai Sheristedar and approved by the Muzrai Superintendent in Mysore, in his No.1793 dated 27th February 1918 orders were issued to the Amildar of Yedatore, in this office No 2 Dis 50/17-18-Muz on 2nd April 1918 to fix the scale of income and expenditure in accordance therewith and to lease out the lands attached to the temple by auction sale.

On the perusal of the records it is seen that the temple in question is endowed with lands to the extent of 11 acres 6 guntas (all wet) and assessed at 53-12-0 as per details furnished in the margin.

S.No.	Extent	Assessment
1	3-29	Rs.15-12-0
2	4.25	26-0-0
400	0-14	2-0-0

The archak Shamanna of the temple who was all along in the enjoyment of the lands petitioned this office on 6th June 1919 praying that he might be allowed to continue in possession of the lands, subject to his regular conduct of worship in the temple as

as per sanctioned scale and to the recovery from him of the reserv fund of Rs.39/- fixed in the above scale. The petition was forwarded to the Amildar for report. The Amildar recommended that the prayer of the petitioner may be granted on his executing a mutchalika that he would conduct the pooja regularly paying to Government the reserve fund.

The records were returned to the Sub Division Officer, Mysore directing that the sale for 5 years gutta may be held and the lease given out to the archak if he is willing to stand the highest bid.

Accordingly, the sale of lease for 5 years commences 1920-21 was held in due form and the lease was knocked down to the highest bid of one Lakkesonda for 62 candies of paddy a year, and the sale was confirmed by the Sub Division Officer. The Amildar has made a note in the sale list that archak Shamanna alias Himappaiya was present during the sale but denied signing the sale list. He (petitioner) does not even seem to have given his idea of accepting the present bid of the lease.

But in the meantime, when the taluk authorities were taking steps to recover from him the gutta due for the year 1919-20, i.e. 34 candies, as it is stated, he again petitioned to this office on 20th January 1920 praying that the lands may not be leased out by auction, that he may be allowed to continue to be in possession thereof as he and his forefathers have spent a lot of money for converting the land into wet and that no steps be taken by the Taluk authorities to recover from him the gutta for 19-20 may be stayed etc. After some correspondence it was finally ordered by this office that the sale should be confirmed and that no paddy need be given to the petitioner out of that year's gutta as the whole quantity was due to the temple.

When Archak Shamanna alias Himappaiya was called upon by the Amildar to produce the gutta of 34 candies of paddy due by him for the year 19-20 he gave a written statement on the

August 1920 before the taluk Amildar to the effect that he has no money with him, as he has, as per mamool appropriated the same for his personal use, that in lieu thereof he would with the least com plaint conduct worship in the temple regularly, paying to Government the amount of Kandayam on inam lands and the reserve fund for repairs, and offers his sincer unability to give the Gutta under reference. Petitioner also has no doubt executed a muchalika on 16th June 1919 that he would produce before the Taluk Amildar the amount of Gutta for 19-20 beofre the end of January 1920 and that failing which the same may be recovered from him as arrear of Land Revenue.

In submitting the entire records bearing on the subject the Sub Division Officer states that as the archak is too poor to produce the gutta above referred to or to pay its cost, the residents of Hancsoge as well as archak Brahmanna have preferred to address Government on the subject and hence their petitions under reference.

The vernacular papers ending with Mysore Sub Division Officers reports No.N.Dis. On H.C.411-20-21 dated 21st November 1920 and N.Dis.on H.C.556-20-21 dated 30th November 1921 together with the petitions and other enclosures received with your letters under reply are submitted herewith.

I have the honor to be,

Sir,

Your most obedient servant,

Dated Bangalore, 14th June 1921.

From the copy of the Inam Register it is observed that the inam in question pertained and was personal to the Archaka. affected thereby.

2. Taking all the circumstances of the present case into consideration, Government direct that if the Applicant is prepared to take up the lands in question for cultivation at a rate higher than what he has paid hitherto, preference may be given to him even though the amount may be somewhat lower than the highest bid offered by a rival bidder.
